STATE OF NEW YORK)  
:ss.:  
COUNTY OF NEW YORK)

Raymond McLeod, being duly sworn, deposes and says:

1. When I entered Your Honor's courtroom on October 2, 2018, the Court's electronic evidence system had already been turned on by the Court's technology personnel.
2. I connected my laptop into the VGA input at defense counsel's table.
3. Because the system had been turned on, I was able to click the "publish" button on the electronic evidence system, which published defense counsel's presentation to the jury.
4. When I did so, I was unaware of the communications or lack thereof between Mr. Gatto's attorneys, the Court, and the Government with respect to defense counsel's presentation.

  
RAYMOND MCLEOD

Sworn to before me this  
3rd day of October, 2018.
